

# Lesson 14

## Religion

### Activity 2

#### Matching Game:

Match each of the quotes below with one of the religions about which you learned in this chapter.

1. "That man is disciplined and happy who can prevail over the turmoil that springs from desire and anger, here on earth, before he leaves his body."
2. And if a man should lie with a woman with seed of copulation, then they shall bathe themselves in water
3. "Her food, her clothing, and her conjugal rights he shall not diminish."
4. Jesus said: "You have heard that the law of Moses says, 'Do not commit adultery.' 28 But I say, anyone who even looks at a woman with lust in his eye has already committed adultery with her in his heart. 29 So if your eye - even if it is your good eye - causes you to lust, gouge it out and throw it away. It is better for you to lose one part of your body than for your whole body to be thrown into hell. 30 And if your hand - even if it is your stronger hand - causes you to sin, cut it off and throw it away. It is better for you to lose one part of your body than for your whole body to be thrown into."
5. "A young husband should enjoy sexual intercourse with his wife once every four days. To preserve the character of the wife, this may be increased or decreased. Sexual intercourse with the wife at the time of her menstruation is unlawful. However, it is lawful to enjoy her without sexual intercourse e.g. enjoy the region beneath the petticoat, or if there be such a need, even use the wife's hand for his ejaculation and stop short of actual copulation [in Arabic terminology, this is known as *jima' bil yad*, which means 'intercourse by hand.']. God says: "Your wives are a tilth unto you; so go to your tilth when and how you will." A man may keep company with his wife during her menstrual period for eating, resting/sleeping [without copulation] or other purposes. He is not obliged to avoid her."
