Pleasure and Human Rights

Activity 1

The Treatment of Women and its Effects on Sexual Pleasure

The diagram below depicts many of the things that affect a woman's ability to feel sexual pleasure, have pleasurable feelings, or enjoy the pleasurable feelings: bad body image, abuse in her past, focusing on the partner's pleasure, focusing on how she looks to the partner, having a partner who doesn't care about her pleasure, fear of talking about pleasure. **Can you think of other factors that might affect a woman's ability to feel sexual pleasure?**
