

Lesson 2

Relationships: Friendship, Love, & Sexual Desire

Activity 1

Exercise: Friendship

To begin, answer the following questions.

What qualities do you want in a friend? What qualities do you admire and like in your friends?

Are these qualities that make them good friends or just qualities you like?

Are these the same qualities you would want in a romantic partner?

Are these qualities that you are attracted to in other people whom you find yourself attracted to in a romantic or sexual way?
